### Did you know?

Being a ViSalus Distributor can save you money every year just from the tax advantages of being a home-based entrepreneur? Be sure to consult your Accountant right away!

In order to earn income with ViSalus you must remain **Active**. You do this by maintaining \$125 **Personal Qualification Volume** (PQV) in Auto-Ship Sales or \$200 PQV in Retail Sales per month. This can be a combination of personal product purchases and/or personal Customers. As an Active Associate you can earn income 8 Different ways.

# 1 Direct Sales & Personal Customer Commissions

Retail Sales allow you to earn income by purchasing ViSalus™ products at wholesale price and then selling them to a customer at the retail price. You can also earn Personal Customer Commissions from Retail Customers who order direct from ViSalus under your Distributor ID, as well as Preferred Customers who elect to save up to 25% off retail price by enrolling in the Auto-Ship program. Personal Customer Commissions are a sliding scale paid on personal, retail, and preferred customer sales over \$200 in **Bonus Volume** (BV) cumulative per month (outside the first 30 days). The first 10% of the Personal Customer Commissions are paid on the **Weekly Pay Cycle**, while the balance is paid on the **Monthly Pay Cycle**. The more customers you acquire, the more you earn!

## Personal Customer Commission Scale

All volume is imported at 100% Bonus Volume (BV). When the 15% Personal Customer Commission level is achieved, Bonus Volume (BV) is imported at 80% for upline team commissions. When the 20% Personal Customer Commission level is achieved, BV is imported at 60% for upline team commissions. When the 25% Personal Customer Commission level is achieved, BV is imported at 40% for upline team commissions.

## 3 Weekly Enroller's Pool

The Weekly Enroller's Pool highlights the fundamental building block of the ViSalus™ Compensation Plan—The Power of 3! If all you ever did was focus on getting into the Weekly Enroller's Pool, and you duplicated that throughout your organization, you would move rapidly through the ViSalus Career Path. The Weekly Enroller's Pool is open to Associates who purchased an ESS or Distributors who have achieved the rank of Regional Director or above.

ViSalus places 2% of the total company Bonus Volume (BV) from the previous four weeks into this revenue Pool. One quarter of the pool is paid each of the following four weeks to those who qualify.

Here is how you can qualify for the Weekly Enroller's Pool this week:

### Weekly Enroller's Pool Point System

- 3 New Associates\*** = 3 points
- 3 Preferred Customers\*** = 3 points
- \*Must total minimum of \$500 QV**
- Each Additional \$490 in QV above first \$500** = Bonus 3 points

*Achieve the rank of Director in your first 30 days to become a Rising Star and your points will automatically get DOUBLED every time you qualify for the Enrollers pool!*

All production must fall within the same Weekly Pay Cycle to qualify. The Bonus amount varies each week depending on total company BV and the number of people in the pool that week. The Enroller's Pool Bonus has a minimum of \$75. This Bonus is available to any Active Distributor who enrolled with an Executive Success System or has reached the rank of Regional Director or above and is paid on the Weekly Pay Cycle. The Weekly Pay Cycle ends each Thursday at midnight Pacific Standard Time.

# 4 Fast Start Bonus

By achieving the rank of Director or above, you can earn up to \$180 in Fast Start Bonuses from the products that are sold within each Executive Success System (ESS) in your team. These bonuses follow the **Enroller Tree** and are paid on the **Weekly Pay Cycle**.

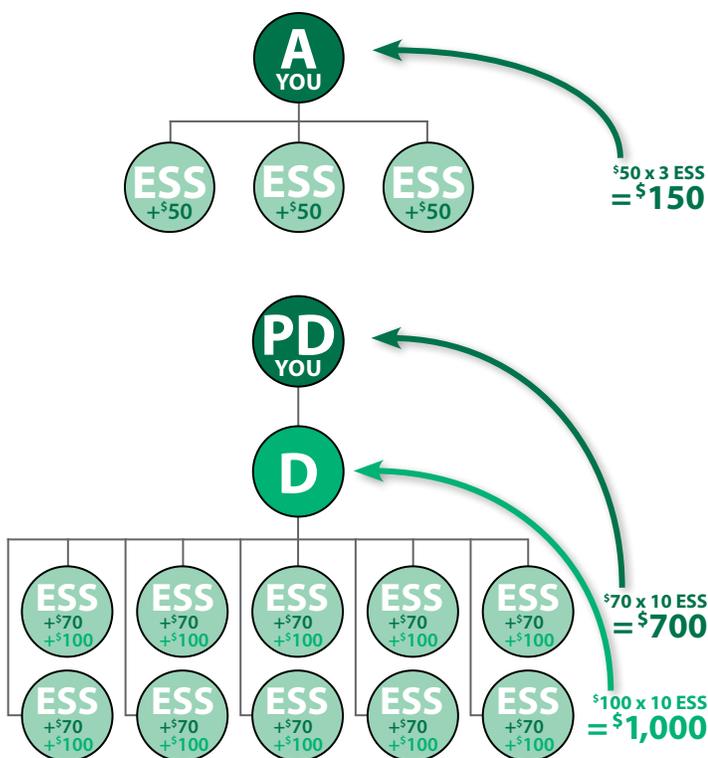

Help your new Distributors get started with the tools they need to succeed!

## Fast Start Bonus Scale

Associate	Director	Regional Director	National Director	Presidential Director	Ambassador
\$50	\$100	\$130	\$155	\$170	\$180
<b>2<sup>nd</sup> Generation Override</b>	<b>+\$15</b>	<b>+\$10</b>	<b>+\$10</b>	<b>+\$10</b>	<b>+\$10</b>

**Fast Start Bonus Overrides** can be earned once you achieve Regional Director or above based on the difference between the Fast Start Bonus earned at your rank, and the Fast Start Bonuses earned by those within your organization.

**Second Generation Fast Start Bonus Overrides** can be also be earned once you achieve Regional Director so that you are still rewarded on the production within your team coming from Distributors at the same or higher rank as you.

### Fast Start Bonus Hypothetical Example #1

If you are an Associate and enroll 3 people with an ESS, you will earn a \$50 Fast Start Bonus from the product within each ESS. There are no time restrictions on the Fast Start Bonus, but if you accomplished this within one week's time, you would be paid \$150 on Monday!

### Fast Start Bonus Hypothetical Example #2

If you are a Presidential Director, with a Director in your organization who enrolled 10 new Associates each with an ESS in their organization, you will earn a \$70 Fast Start Bonus Override from the product within each ESS.

\$170	PD Fast Start Bonus
-\$100	D Fast Start Bonus
<hr/>	
\$70	Fast Start Bonus Override
<b>\$70 X 10 = \$700</b>	

There are no time restrictions on the Fast Start Bonus, but if you accomplished this within one week's time, you would be paid \$700 on Monday!

## VI-CABULARY

**DOWNLINE/ GROUP/ TEAM/ ORGANIZATION:** Those people directly sponsored by an Independent Distributor, plus all the people whose line of sponsorship resulted from and

came through that Independent Distributor. Your "downline" consists of all Independent Distributors on your Level 1, Level 2, Level 3, etc., through unlimited depth.

**OVERRIDE:** Commissions or bonuses paid to a distributor for production in their organization for which they are not directly responsible.

**SECOND GENERATION:** A term used to reference someone within your organization who is at the same Rank as you are. You are the "First Generation" of that rank, they are the "Second Generation," and so on.

Help enough people get what they want and you can have everything you want!

# 5 Team Commissions

As a ViSalus™ Distributor, your focus will be on creating a retail and preferred customer base, as well as building an organization, or team, of other Distributors. As you progress through the ViSalus Career Path you will earn increasing Team Commissions from the product sales generated throughout your Distributor organization.

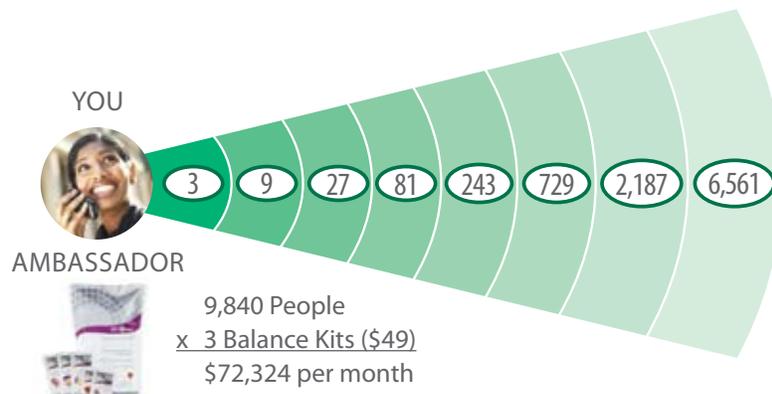

The Team Commissions section of the ViSalus™ Compensation Plan is called a Unilevel with **Compression**. That means you will earn a percentage through a certain number of levels of referral within your organization. The higher the rank you achieve, the more levels from which you can earn commissions. The ViSalus compensation plan uses “compression” to allow you to earn on sales originating down deeper within your referral line. A level is determined by an *Active Associate*. Any Customer or Distributor volume that is not generated from an Active Associate will “compress” and be counted in the volume of the Level immediately above.

	RANKS	ASSOCIATE (A)	DIRECTOR (D)	REGIONAL DIRECTOR (RD)	NATIONAL DIRECTOR (ND)	PRESIDENTIAL DIRECTOR (PD)	AMBASSADOR (AMB)
TEAM COMMISSIONS Unilevel with Compression	LEVEL 1	5%	5%	5%	5%	5%	5%
	LEVEL 2	5%	5%	5%	5%	5%	5%
	LEVEL 3		5%	5%	5%	5%	5%
	LEVEL 4		5%	5%	5%	5%	5%
	LEVEL 5			5%	5%	5%	5%
	LEVEL 6			5%	5%	5%	5%
	LEVEL 7				5%	5%	5%
	LEVEL 8					5%	5%
	LEADERSHIP DEPTH BONUS						2%–4% through Level 8 of 1 <sup>st</sup> & 2 <sup>nd</sup> AMB

All Team Commissions follow the **Sponsor Tree** and are based on BV. Personal Retail Customers, Preferred Customers, and other personal orders fall on the “You” level and count toward Personal Customer Commissions. Commissions will be accumulated until they reach a gross amount of \$20, at which time they will be paid on the next pay period.

## Hypothetical Example:

If you personally sponsored 3 Active Associates who each have 3 customers on a \$49 Balance Kit every month, and duplicated that effort through 8 levels of referral, you would earn **\$72,324 per month** just from your Team Commissions!

**Fail this example by 95% and still earn \$3,616 per month!**

## VI-CABULARY

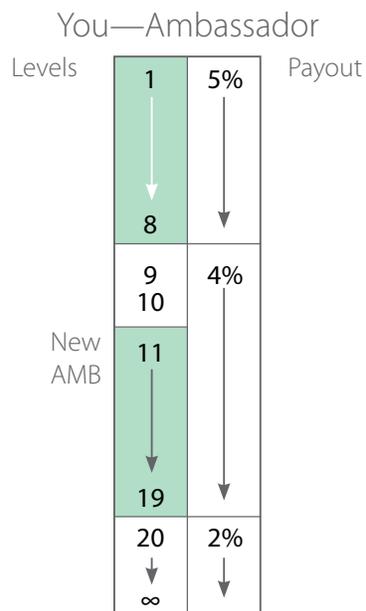

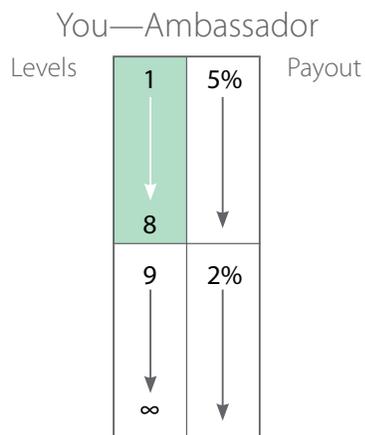

**COMPRESSION:** The possibility of accumulating sales volume from multiple levels of Distributors, and only counting as one pay level.

**SPONSOR TREE:** The line of referral that is tracked from Sponsor to Sponsor. Commissions follow the Sponsor Tree.

# Leadership Depth Bonus (LDB)

Over time, it is very possible that your organization may grow beyond 8 levels of referral. This is why we created the Leadership Depth Bonus (LDB) available at Ambassador. Once you achieve the rank of Ambassador, you will earn a 2% LDB on all the Bonus Volume (BV) from your level 9 through infinity. When you help someone else within your organization achieve the rank of Ambassador, your LDB will increase to 4% through that Ambassador's 8 Levels, and you will still earn a 2% LDB through infinite levels below. You will earn a LDB all the way through your second Ambassador's 8 compressed levels in any given leg.

The ViSalus™ Compensation Plan promotes driving "depth" to create a long term stable organization.

## Example Illustration:

If a person reaches Ambassador on your Level 11, you would earn 4% through their 8<sup>th</sup> Level, which would be your Level 19.

## Experience the Ultimate Business Driving Machine!

Points are split equally among qualified Presidential Directors and Ambassadors every month. This reward is paid on the Monthly Pay Cycle.

If you are going to spend time thinking... you might as well spend time thinking BIG!

# 8 Ambassador Star Bonus

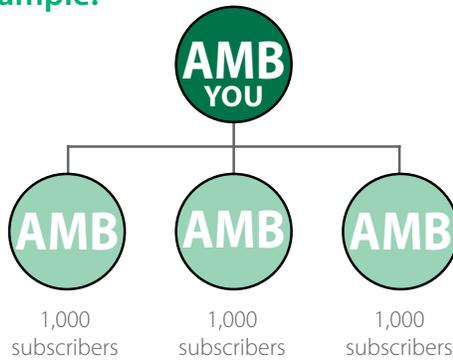

To show how much we value our top producing field leaders and reward those who promote ongoing personal development and education, ViSalus has created the ultimate legacy income opportunity—the Ambassador Star Bonus. This is a bonus paid to Star Ambassadors based on Vi-Net® Pro/SUCCESS Subscriptions within their organization. Up to \$9 per subscription is paid out in the Ambassador Star Bonus. Ambassador Star Bonus follows the enroller tree and is paid on the monthly Pay Cycle as follows:

 <b>1 Star AMB</b> <b>\$3</b>	 <b>2 Star AMB</b> <b>\$6</b>	 <b>3+ Star AMB</b> <b>\$9</b>
---	---	--

### Hypothetical Example:

**3,000 subscriptions x \$9 = \$27,000 per month!**  
**Just in Ambassador Star Bonuses**

The examples set forth in this presentation are hypothetical examples that are intended to explain the components and operation of the ViSalus Compensation Plan. These hypothetical examples are not representative of the income, if any, that a ViSalus Distributor can or will earn through his or her participation in the ViSalus Compensation Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings, whether made by ViSalus or a Distributor, would be misleading. Success with ViSalus results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities.

### VI-CABULARY

**OPEN LINE:** Production done outside anyone else in your team at your same rank.

**VI-NET PRO:** An optional suite of more advanced online marketing tools distributors may purchase and use to grow their ViSalus businesses.

The ViSalus Compensation plan incorporates a variety of revolutionary concepts that give you the flexibility to build a stable organization...fast!

# Business Building Advantages

## Enroller & Placement Sponsor Relationship:

In tracking both of these relationships, ViSalus™ allows you to support your team by *placement sponsoring* Associates within your organization, while still earning many bonuses that follow the enroller tree as if each new Associate were placed frontline on your Level 1.

## Waiting Room:

All new personally Enrolled and Sponsored Associates will remain in a Vi-Net “Waiting Room” on your Level 1 and can be repositioned one time within your organization *within 60 days* of their enrollment date. While new Associates are in the Waiting Room, all commissions and bonuses are still paid on the normal Weekly and Monthly Pay Cycles. This allows for very fast & strategic team building.

## Rolling Qualification Volume (RQV):

Any new Associate who starts on or after the *15th of the monthly production period* will have all the Qualification Volume (QV) generated within the remainder of their first month roll forward into the next full monthly production period. All Team Commissions and Bonus Volume (BV) follow the normal Monthly Pay Cycle. RQV does not apply to upline GQV. This ensures that all new Associates experience the best possible launch of their business regardless of what day of the month they enroll.

## Rank Promotions:

ViSalus™ Rank Promotions run *Weekly—Thursday nights at midnight PST*. That means every week is a new opportunity to achieve the next position in the ViSalus Career Path.

## Grace Period:

When you achieve a new Rank of Regional Director or above for the first time, you will remain at least at that Rank for *two consecutive monthly production cycles*. This benefit allows an Associate to advance through ranks quickly while still having enough time to train and develop their organization.

## Prosperity Card:

Associates can elect to get paid via check or take advantage of the sleek-looking *ViSalus Prosperity Card*—a MasterCard branded debit card that offers fast access to earnings and simple online account management.

## VI-CABULARY

**60% RANK CRITERIA:** No more than 60% of the total required Rank Qualification Volume (QV) can come out of any single leg. For example, a Regional Director can only count 60% of \$12,500, or \$7,500, in any one leg to qualify for that rank. Applies for Rank

promotion and qualification only, and does not limit commissions.

**ACTIVE:** Must have a minimum of \$125 PQV per month in Auto-Ship sales, OR \$200 PQV per month in retail sales. This can be a combination of personal product purchases and/or personal

Customers. Distributors must be personally Active to qualify for Associate rank and above.

**GQV:** Group Qualification Volume. Total Qualification Volume of all sales generated within your team.

**HIGH RANK/ PAID RANK/ MTD RANK:** Distributors who have achieved a rank designation according to their performance will retain those titles indefinitely as their “High Rank,” even if they do not meet the specified bonus qualifications in a pay period.

As a ViSalus™ Distributor, you are self-employed, or an independent business owner. ViSalus does not take taxes out of your commissions, and will issue you a 1099 tax form at the end of the year. It is your responsibility to ensure that you seek appropriate tax advice.

### **How long should I expect to participate before I start to make an income?**

ViSalus™ cannot ever guarantee that everyone will make an income with our opportunity.
